U.S. SEAL MFG.

- Quality Seals
- Fast Delivery
- Dedicated Customer Service

Stocking Seals for Industry's Most Popular Pumps

- Ace Pump
- Banjo
- Berkeley
- Hypro
- John Blue
- Monarch
- Scot
- Zoeller

Whether you need a seal for your irrigation, water transfer, or liquid fertilizer application pump, **U.S. SEAL MFG.** can help fill your farm and ranch fluid handling requirements.

Our seals with Viton® Elastomers, and Silicon or Tungsten Carbide faces provide excellent abrasion resistance when pumping fungicides, herbicides or insecticides.

Trusted supplier of mechanical seals for over 50 years. For replacement seal recommendation, contact our Technical Department @ 800-243-5489
